Breast Cancer

Breast Cancer is the second-leading cause of cancer death in women after lung cancer – and is the leading cause of cancer of among women ages 35 to 54.

Approximately one in almost every eight women (13.4%) will develop breast cancer in her lifetime.

In 2009, an estimated 182,460 women will be diagnosed with invasive breast cancer and approximately 40,480 will die.

Contributions make it possible for women to receive services and help provide breast education, awareness and outreach to women in the region.

OUR HISTORY

SWS – Sisters Who Swing Golf Association is in our Second Year 2010, advocacy for newer golfers and skilled golfers in the golf links experience.

SWS – Sisters Who Swing Golf Association and Soulful Golf are starting their legacy this Inaugural year of support to help meet the needs of women and children who are or may suffer through breast cancer.

Set the date, August 15, 2010, come Swing for the Cure with SWS.
