One Golfer at a Time

SWS Sisters Who Swing

Golf is a vehicle for higher education. Golf unlike a lot of other sports is difficult to master even for the most talented athlete. Whilst your enthusiasm and courage will go a long way to becoming a better golfer, it will only take you so far. The good news if you take the right steps to getting your game right before you rush onto the course you can become a very proficient golfer. A good coach can see things from a different perspective and they are trained to understand every element of the golf swing.

Our Mission

To impact the lives of youth by introducing the game of golf and together provide opportunities that build confidence, promote healthy choices that will instill life-enhancing values having golf as the common platform. Golf for youth is a vehicle for higher education.
